1890 Census

Unable to locate so far on any 1890 Census

On January 10, 1921, a fire in the Commerce Department building, Washington, DC, resulted in the destruction of most of the 1890 census, to the woe of researchers ever since. Hopefully I will be able to make a trip to Carthage to research Land Records and perhaps zero in on the time that the Donald Family arrived in Panola County from Little River Arkansas. Daughter Julie born in 1885 is the first child listed as born in Texas on subsequent census records. The next oldest child, Alice DOB: 1884 is listed on the 1900 census as being born in Arkansas. It seems evident that the family arrived in Panola County sometime after Alice's birth January 1884 and before Julie's birth in August 1885.
